

Block of the Month for November

Eighth Block in the Series of the Monthly Friendship Blocks by Cheryl Booton

This quilt is made up of a total of nine signature or friendship blocks. I know that many of you belong to small quilt groups and I thought it would be interesting to try some of the patterns that have been around for a long time

and were used in friendship quilts that went with a lot of the settlers as they moved westward. Each month I will give you the directions for a 12" by 12" block that you might use in your own friendship quilt. The patterns are for you to use with any fabrics you wish. I used 1930's prints to see how they might look made up. If you have any questions please give me a call at 408-264-7121. The patterns for these blocks can be found at www.scvqa.org under guild activities, block of the month. I hope you enjoy these nine blocks..
