

**Four Patch Variations
Block of the Month
by
Cheryl Booton**

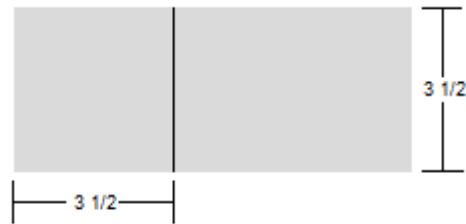

The new Block of the Month quilt is constructed of all four patch block variations. Each month I will give you the directions for a 12" by 12" block that you might use to construct your own four patch quilt or, as I have done, you can construct a quilt using

all 12 blocks in this series. The patterns are for you to use with any fabrics you wish. I used Moda color wash prints to create an Amish quilt. The border is constructed of nine patch blocks, with the second color matching the border (black). This makes them appear as if they were floating on the quilt. If you have any questions please give me a call at 408-264-7121. The patterns for these blocks can be found at www.scvqa.org under guild activities, block of the month. I hope you enjoy these twelve blocks..

Cutting:

- Cut eight 3 1/2" by 3 1/2" squares from fabric A
- Cut eight 3 1/2" by 3 1/2" squares from fabric B

Assembly:

Assemble four 4 patch blocks per diagram and then sew these together.
