

Block Party for November

Just in time for making a holiday quilt or table runner this simple block will be done in red and green holiday colors.

A special note. At each meeting we have a limited amount of prints of the block. If you do not get one, there is no need to wait for the newsletter. The block will be posted to the web page on the day of the meeting.

Materials Needed

Red holiday print: one $3\frac{1}{2}$ " square.

Green holiday print: two $3\frac{7}{8}$ " squares.

Light green: four $3\frac{7}{8}$ " squares.

Off white: two $3\frac{7}{8}$ " squares.

Instructions

Make two sets of the following half square triangle blocks.

Place, right sides together, a $3\frac{7}{8}$ " green with a $3\frac{7}{8}$ " light green. Draw a diagonal line on the back of one piece and sew $\frac{1}{4}$ " on both sides of the line. Cut on the drawn line to produce two half square triangle blocks each. Now do the same with two sets of light green and off white.

Sew together your nine blocks as illustrated. Your block will be $9\frac{1}{2}$ ".

To participate, make the block described, bring it to the next meeting, post your block(s) on the design board, and place your name (one for each block you bring) into the pot. A winning name from those who contributed will be drawn; the winner takes home all the blocks.
