

## Block Party for March

This year is starting to fly by. Have you made any travel plans yet? This very traditional Road to Oklahoma block might inspire you to plan some U.S. travel!

### Materials needed

Any bright color print: Six  $3\frac{1}{2}$ " squares and two  $3\frac{7}{8}$ " squares.  
White on white: Six  $3\frac{1}{2}$ " squares and two  $3\frac{7}{8}$ " squares.

### Directions

Start by sewing two sets of half square triangles. Put right sides together of the two  $3\frac{7}{8}$ " color print squares with the two white on white squares. In each set draw a diagonal line on one side. Sew  $\frac{1}{4}$ " on both sides of the line and cut on the line. You will now have four half square triangle blocks. Press seams to the dark fabric. Now it is simply a matter of sewing all your squares together as in the sample block. Your block will be  $12\frac{1}{2}$ ".

To participate, make the block described, bring it to the next meeting, post your block(s) on the design board, and place your name (one for each block you bring) into the pot. A winning name from those who contributed will be drawn; the winner takes home all the blocks.

Nancy Babcock, Donna Prime & Peg Prior
