

Block Party Challenge for January

Since we do not do a block for December we are challenging you to have fun with this cute bird. You have two months to play with this applique. She will fit in a 6" block. So allowing 1/4" seams all around start with a 6 1/2" square of background fabric. Anything goes. Then add your two appliques (body and wing) in any style you prefer. You may use iron on or hand applique. Use fancy edge stitching or none. How about embellishments? Add some embroidery? Use bright prints, delicate prints, or solids for either the background or the bird. How about some wacky piecing or strips? Show us what you can come up with.

To participate,
make the block described,
bring it to the next meeting,
post your block(s) on the design board,
and place your name (one for each block you bring) into the pot.
The winner of the drawing will take home all the blocks.
