

BLOCK PARTY – OCTOBER 2023 – HALLOWEEN GHOST

Use your imagination on this block and create your very own ghost!

For the background, start with an 8-inch square of a Halloween print or use a black, orange, neon green or purple blender fabric. Create your own white ghost and be creative with your embellishments. You'll find many ideas for ghost shapes on the internet.

Cutting;

- A. Halloween background: Cut one 8-inch square.
- B. Ghost: White solid or print, about 5 to 6-inches square.

Sewing:

- 1. Cut out the ghost (more than 1 is OK!) and fuse or appliqué it to the background. If fused, machine stitch around the edges.
- 2. Embellish your ghost. Consider eyes, nose, mouth, hat or hair bow, bow tie or buttons. Be creative!

Finished block should measure 8-inches square.
Do not trim; let the quilt maker do this.

To participate in the October Block Party, make the block as described. Mail to Karel Peer or bring to the October 23rd evening meeting. Your name will be entered once for each block received (enclose a note if you don't want your name in the drawing). The winner will be drawn during the October in-person meeting and will be in the November newsletter.
